

## WIN TICKETS FIGURE IN REDDISH MURDER TRIAL

### ON MAN TELLS OF DEFENDANT'S ANXIETY TO RECOVER SLIPS

Five Witnesses Examined—State Seeks to Show Young Jersey County Physician Killed His Father—Coroner and Physicians Among Those Examined—Trial Will Run Thru Week.

When the Wednesday afternoon session of the Reddish murder trial closed August 23, the trial of the murder of Dr. Reddish of Alton, had just concluded testimony.

Dr. Ratz is the owner of the house where Dr. Reddish was killed. He testified that he saw the body of Dr. Reddish in the room where he was killed. He also testified that he saw the body of Dr. Reddish in the room where he was killed.

The important fact brought out by the testimony of Mr. Ratz was that he saw the body of Dr. Reddish in the room where he was killed. He also testified that he saw the body of Dr. Reddish in the room where he was killed.

On the stand yesterday Mr. Ratz testified that he saw the body of Dr. Reddish in the room where he was killed. He also testified that he saw the body of Dr. Reddish in the room where he was killed.

Many More Witnesses. During the session of Wednesday morning and afternoon ten or twelve witnesses are examined. It is understood that nearly fifty more are to be called on the stand by the state.

When court convened Wednesday morning Clarence Reddish, the man on trial, read his testimony. Most of the questions asked the witness referred to the methods of his in managing farm and business affairs, and his own personal relationships with the other. Many of the questions were particularly upon the condition of the Reddish home before the discovery of the murdered man and woman and immediate afterward.

Deputy Coroner Reviewed Findings. Dr. F. G. Warner of Grafton is deputy coroner, was interrogated with reference to the condition of the bodies of Mr. Reddish and Mrs. Cisco. He was asked to describe the wounds of the bodies as found. He was also asked to describe the condition of the bodies as found.

Bedclothes Disarranged. In describing the wound in the head of Rachel Cisco, witness said he tried to probe straight in with a match, but met an obstruction; that the bullet hole went in an upward direction toward the head; could not tell whether the bullet went clear thru the head or not. Witness said the bedclothes were somewhat disarranged, but he did not observe whether or not they were tucked in, thought they did not extend clear to the foot of the bed. In answer to questions he stated that the Turkish bath towel was on the north side of the bed near the head and that the spring lay on the floor on the south side of the bed. Witness stated that of the bed. Witness stated that of the bed.

Will Sail for U. S. Next Week. PADIS, Dec. 3.—The American delegation to the peace conference with most of its personnel will sail for the United States from Brest next week. The day has not been fixed.

Freighter Launched. Philadelphia, Dec. 3.—The 7,825-ton cargo carrier Coldharbour, Hog Island's seventy-second ship, which was named by Mrs. Woodrow Wilson, was launched today.

Found Guilty of Woman's Murder. PARIS, Ill., Dec. 3.—John Burkehead was found guilty of the murder of Mrs. Riley Marrs, his step-daughter by a jury at Marshall, Illinois, today. The murder was committed with a German trench knife brought back from France by Burkehead's son.

## WOULD REVISE LAW

### So as to Place Heavier Tax on Normal Income

#### GIVES ANNUAL REPORT

Revision of Revenue Measures Is Urged by Secretary of Treasury Glass in His Annual Report to Congress.

WASHINGTON, Dec. 3.—Revision of the revenue laws, so as to place a heavier burden of tax on the normal income was urged by Secretary Glass in his annual report today to congress. Mr. Glass declared that the excess profit tax provisions of the present law should be eliminated and the revenue thus sacrificed be made up from an increase in the taxes on the average income. The only consequence of increasing the tax on the large income under the surtax law, he said, would be to drive possessors of great income to invest their wealth in billion of state and municipal securities, which are wholly tax exempt.

The treasury plan seeks to raise more revenue from incomes above \$1,000 without attempting to disturb incomes of persons whose salaries barely meet living costs as any change in that tax would only add a burden on a class unable to bear it.

## DEFENDANTS ENTER VARIOUS PLEAS

Twenty Appear in Federal Court to Plead to Indictments in Newberry Case.

Grand Rapids, Mich., Dec. 3.—Twenty defendants, many of them prominent in the official life of Michigan, appeared before Judge C. W. Sessions in federal court today to plead to indictments brought against them by the grand jury in connection with the investigation of the nomination and election of Senator Truman H. Newberry.

With a single exception the defendants either stood mute or pleaded not guilty to the charges, and all were released on bond. The exception was in the indictment of Willis V. Capron, of Frankfort, a merchant and Newberry campaign worker who pleaded guilty to counts one, two and four, having to do with the primary and pleaded not guilty to counts three, five and six the counts having to do with the election.

Before the court late today came Samuel O'Dell, former state treasurer, and now a member of the Michigan Public Utilities Commission; Thomas Bigger, state boxing commissioner; Senator Charles J. Deland, of Jackson, and Senator William M. Connelly, of Spring Lake. Each stood mute and pleaded not guilty. They were released on \$1,000 bonds.

Mr. O'Dell asked that he be tried at once, but to this request the court refused to acquiesce. Earl J. Davis of Saginaw, an attorney, was another man of station and prominence before the court. Davis was a member of a Newberry committee in his home county.

## ADJOURN INQUEST TO FIND WITNESSES

LAWTON, Mich., Dec. 3.—The inquest into the death of Miss Maude Tabor, University of Michigan graduate and formerly a well-known teacher of languages in several cities in this state and the west, was adjourned for a week tonight to allow authorities time in which to locate other witnesses including Mrs. Lester Tabor, the mother of the dead woman.

Thus far the cause of Miss Tabor's death has not been established. Joseph C. Virgo, of South Bend, Ind., was recalled to the stand today and declared he had been informed by Miss Tabor's mother that the girl was in a delicate condition and that he advised against an illegal operation. Virgo was a close friend to the dead woman.

## MAY RESTORE BULL FIGHTS IN MEXICO

MEXICO CITY, Tuesday, Dec. 2.—By an overwhelming vote the Mexican chamber of deputies today passed a bill restoring bull fights. The senate will vote on the measure tomorrow.

TO LOWEST LEVEL. New York, Dec. 3.—English exchange fell to the lowest level in history today when demand sterling was quoted at \$3.89 1/2, which is 1-3 cents below yesterday's close. The normal rate is \$4.87.

PRIGHTER LAUNCHED. Philadelphia, Dec. 3.—The 7,825-ton cargo carrier Coldharbour, Hog Island's seventy-second ship, which was named by Mrs. Woodrow Wilson, was launched today.

VIRGINIA SCHOOLS CLOSED. The grade and high school classes were discontinued indefinitely at Virginia yesterday on account of a lack of fuel to heat the school buildings.

BUYS SOUZA PLACE. C. B. Davis has purchased the George Souza place at 924 Allen avenue. He will reside there.

## GOVERNOR LOWDEN'S PROCLAMATION

CHICAGO, Dec. 3.—Governor Frank O. Lowden of Illinois, issued a proclamation tonight emphasizing the seriousness of the coal shortage and calling upon all citizens of Illinois to observe the restrictions promulgated today by the state public utilities commission limiting business and industry generally to 6 1/2 hours a day.

The proclamation follows: "The coal situation in Illinois and in the country at large is very limited, no relief is in sight, and a possible coal famine is at hand. Only the most sparing use of coal will it be possible to conserve what will be required for absolutely necessary purposes. The public utilities commission has today issued an order in substance as follows:

"The commission ordered all public utilities subject to its jurisdiction to immediately cease furnishing service for all unnecessary interior and exterior illumination including signs, display lights and show windows, to permit service to shops, industries, business establishments, and warehouses (except cold storage) for but six and one half hours per day; provided where there is continuous operation such service must be discontinued for two working days each week; to permit service of retail stores in the central district of Chicago eleven o'clock a. m. to five thirty o'clock p. m. only, and in the outlying districts from twelve o'clock noon to 6:30 p. m. and until 9 o'clock p. m. on Saturdays; to permit service to offices, banks and other places of business including office buildings from 9 o'clock a. m. to 3:30 o'clock p. m., each day; to permit service to theatres and similar places of amusement to six performances each week, one in the afternoon and five in the evening without restriction upon motion picture houses.

"I urge upon all consumers of coal whether they come under the jurisdiction of the public utilities commission or not to follow rigidly the provisions of this order. I also urge upon all users of coal whether for industrial, commercial or domestic purposes to conserve with the utmost care their present supplies. Only by following strictly these rules will we be able to avert possible disaster. This appeal is not only to citizens and business interests of Chicago, but to those of the entire state and I earnestly call upon them to observe it."

Proclamation Follows Conference. The proclamation was issued following a conference of a committee of business men and members of the utilities commission with the governor. Samuel Insull, president of the Commonwealth Edison company said there had been a "general discussion" of the coal situation and that the governor had said he was in hearty accord with the measures we had taken to do his best to aid this section of the country and that the would "do his best" to aid this section of the country in getting its just share of coal from the east.

"I wish to say," Mr. Insull added, "that this committee does not believe that this section of the country is getting fair treatment from the east at the present time."

## ST. LOUIS GLOBE BUYS REPUBLIC

One of Oldest Newspapers in the Country Will Suspend Publication With Today's Issue.

St. Louis, Mo., Dec. 3.—The St. Louis Republic one of the oldest newspapers in the United States and the first to be published west of the Mississippi river has been purchased by its competitor the St. Louis Globe-Democrat and will suspend publication with tomorrow's issue. It was announced formally tonight.

## TWO GREAT TANK STEAMERS ORDERED

NEW YORK, Dec. 3.—Two tank steamships of 20,500 dead-weight tons each will be the largest bulk oil carriers in the world. They have been ordered by the Standard Oil Co., it was made known here today. The tankers will cost approximately \$2,500,000 each and with large capacity for 140,000 barrels of liquid fuel.

Other additions to the tank steamship fleet of the Standard Oil and Subsidiary companies for which contracts have been placed will be five vessels of 10,000 tons and six of 7,500 tons each.

## TRAIN BANDIT NOT FATALLY WOUNDED

LOUGLAS, Wyo., Dec. 3.—William Carlisle, rain bandit captured yesterday after being shot in the right lung by Sheriff A. S. Roach of Wheatland will recover unless pneumonia develops or infection sets in according to physicians. As soon as he had recovered it was said he probably will be returned to serve out his unexpired term of fifty years.

A statement purporting to come from Carlisle that he was unarmed, was repudiated tonight by Dr. L. W. Story, his physician. Sheriff Roach asserted the bandit was armed.

## PERSHING TO VISIT HANNIBAL DEC. 22

HANNIBAL, Mo., Dec. 3.—General Pershing and staff will visit Hannibal, December 22, coming here from St. Louis, according to information received here. They will go to Laclede, Mo., the generals boyhood home where a monster home-coming is planned for the following day. The party will then proceed to Lincoln, Neb., on the general's tour of army posts.

## TROTTER STALLION GOES TO ITALY

SPRINGFIELD, Ohio, Dec. 3.—Blindland, 2:03 1/4 trotting stallion, winner of the Transylvania stake at Lexington has been sold by W. L. Snyder, Springfield, to A. C. Pennock, Cleveland, representing Augusto Butti of Italy. The price was reported to be more than \$20,000. Blindland will be shipped to Italy for racing purpose, it was announced.

## FRESH EGGS SELL AT \$1 PER DOZEN

CHICAGO, Dec. 3.—Fresh eggs sold at retail for \$1.44 a dozen in Chicago today. Receipts were only 533 cases, about one-tenth the normal supply at this season of the year. Butter retailed at 80 cents a pound, with receipts only 2,500 tubs, about one-half the normal day's receipts.

## FOUND GUILTY OF WOMAN'S MURDER

PARIS, Ill., Dec. 3.—John Burkehead was found guilty of the murder of Mrs. Riley Marrs, his step-daughter by a jury at Marshall, Illinois, today. The murder was committed with a German trench knife brought back from France by Burkehead's son.

## VILLA CAPTURED

### Being Held for Reward from Mexican Government

#### TAKEN BY OWN MEN

Notorious Mexican General Said to Have Been Captured by Own Followers—To Be Surrendered to Carranza Forces

JUAREZ, Mexico, Dec. 3.—Francisco Villa has been captured by a force of his own men, and is being held for a reward from the Mexican government, according to advices received here late today by Superintendent Caballero of the Chihuahua Division of the National Railways of Mexico.

Two Villa rebels are reported to have presented themselves at the federal headquarters at Parral and notified the commander there that Villa had been captured and was being held for surrender to the Carranza forces. The state of Chihuahua has already offered fifty thousand pesos as a reward. A detachment of federal forces has been sent from Parral to the spot indicated by the two deserting Villa rebels.

P. W. Caballero, who received the news is in Juarez on an inspection tour, accompanying Col. Paulino Fontes, director general of the National Railways of Mexico. Mexican officials here expressed the opinion that General Gonzalo Escobar, commander of the Juarez district would proceed immediately to Chihuahua City for a conference with military officials there.

So far as is known the only offer of reward for the capture of Villa has been made by the state government of Chihuahua. Whether the rebels who have offered to turn Villa over without payment of the full amount before delivering him to the federal forces, could not be ascertained.

Asked to Sever Relations. Washington, Dec. 3.—President Wilson was requested in a resolution introduced today in the senate to sever diplomatic relations with Mexico.

The resolution was offered by Senator Fall, Republican of New Mexico, who, as chairman of a sub-committee investigating the Mexican situation, declared evidence had been found which "would astound the world."

It also asked that the president withdraw recognition of the Carranza government. Senator Fall boldly charged that the Mexican embassy, the consulate-generals in New York and San Francisco, and the consulates along the border with the knowledge and consent of President Carranza had been actively engaged in the spreading of Bolshevik propaganda in the United States. Evidence, it was said, would be forthcoming to bear out his charge.

By this resolution which was sent to the foreign relations committee of the senate for consideration tomorrow the whole Mexican problem will be put before the senate. The latest note from the state department calling for the immediate release of Jenkins was aid before the Mexican government on Monday. There was no intimation as to when an answer might be expected.

An early report from the committee on the Fall resolution is expected and this will put the question squarely before the senate.

There also was introduced in the senate a resolution by Senator Ashurst, Democrat of Arizona, authorizing the secretary of war to use the nation's forces for protecting its people on their own side of the border.

In the house, also, there was a flare up of the Mexican situation. Representative Caldwell, Democrat of New York, declaring it was too bad that before many days the country might be at open break with Mexico, was not altogether clear tonight, but it was said that Republicans would vote almost solidly for it and that they would have some Democratic supporters.

Senator Shields, Democrat of Tennessee a member of the foreign relations committee declared "the United States had had occasion to declare war against Mexico for the last five years."

When word reached the house that there might soon be an open break with Mexico, members said it had long been expected and there were reports that Republicans in the house would vote for the resolution when it goes there for action.

## LADY ASTOR IS CALLED TO ORDER

LONDON, Dec. 3.—Lady Astor had her first experience in being called to order in the house of commons last evening, having recently transgressed a rule. She was returning to her seat after voting on a measure and stopped to chat with another member "within the bar" when nobody is allowed to stand. The speaker called "order," but Lady Astor, unaware she was addressed continued talking. Thereupon the speaker raised his voice and repeated his warning.

Lady Astor turned around quickly, realized her offense, stepped quickly beyond the bar and continued her conversation.

## CONSERVATION OF COAL IS IMPERATIVE THRUOUT STATE

### UTILITIES COMMISSION EXPECTED TO ISSUE ORDER FOR SOUTHERN ILLINOIS TODAY

Recommendations for Order Adopted at Conference of Mayors, Representatives of Commercial Organizations and Public Utilities Held at State House Yesterday Afternoon—Mayor Crabtree on Committee.

SPRINGFIELD, Ill., Dec. 3.—Recommendations on which the state public utilities commission will formulate an order governing conservation of coal in the southern part of the state were adopted this afternoon at a conference of mayors, representatives of commercial organizations, and public utilities held at the state house. The commission earlier in the afternoon issued an order applicable to the northern part of the state. The order affecting the southern part of the state is expected probably tomorrow.

The recommendations made for the southern part of the state are: 1.—That all unnecessary exterior and interior illuminations, including signs, display lights and show windows should be entirely stopped.

2.—That all stores, shops, banks, theaters, office buildings, pool rooms and all other places of business except drug stores, physicians' offices, restaurants and bakeries be furnished service only between the hours of 9 a. m. and 4 p. m.

3.—That the commission's regulation governing temperature of heat on consumers' premises be reduced to 65 degrees.

4.—That street car service be curtailed 50 per cent except during rush periods and

5.—That mayors of all cities be requested to issue a proclamation calling to the attention of the public the necessity for the conservation of fuel and request that heat and light be turned off in all rooms where same is not absolutely necessary.

A permanent committee was appointed by the conference to assist the public utilities commission in carrying out any rules made governing coal conservation. The chairman of this committee is E. N. Woodruff, Mayor of Peoria and R. V. Prather, secretary of the Illinois Electric Railways and Gas Associations, secretary. Other members are Mayors E. E. Crabtree of Jacksonville; E. E. Jones of Bloomington; and J. E. Smith of Urbana; Chambers of Commerce Representatives, George Woodruff of Joliet, William H. Conkling of Springfield and E. B. Seitz of Alton; Utilities Company Representatives, A. D. Mackie of Springfield, Charles F. Handshy of Springfield and O. W. Welsh of East St. Louis.

This committee adopted a resolution asking all cities to appoint a committee of three, one to be a representative of local utilities, to work with and assist the commission in carrying out its coal conservation orders.

New Wage Scale Agreement. Washington, Dec. 3.—Representatives of all the large coal mining corporations in the United States today reached an agreement upon a new wage scale for mine workers, after an all day session here and announced it would be submitted to the fuel administration for ratification tomorrow. It embodies, it was said, a little more than the fourteen per cent increase for the men suggested by Fuel Administrator Garfield.

Meanwhile the operators were keeping in close touch with developments at Indianapolis where the federal court on the application of department of justice agents cited 84 general and district officials of the United Mine Workers for contempt of Federal Judge A. B. Anderson's order calling off the coal strike. Some reports received indicated that at several points in the central competitive fields, miners were going back to work.

## Serve Notice on Officials

Des Moines, Iowa, Dec. 3.—Iowa mine operators tonight served notice on officials of District No. 13, United Mine Workers of America, that the union miners do not return to work on December 8. Iowa mines will be opened to any competent labor to produce coal. The notice to the district officials went in a telegram to J. C. Lewis, district president at Albia, Iowa, and was said to be the attitude of the operators of the state.

The telegram said the operators appealed to Mr. Lewis as a "man in the interests of humanity" to order work resumed in the mines. The operators' message was signed by D. F. Cushing, state president, and read in full:

"The coal operators of this state have unequivocally accepted the finding of the government. The people of Iowa are suffering for coal and their suffering will immeasurably increase if the miners continue to refuse to accept the findings of the government. The whole state faces dire disaster.

"The duty of every good citizen today is to help the people of this

state get coal. Our properties are at the service of the people. We appeal to you as a man in the interest of humanity for the protection of the sick in hospitals and innocent women and children who are the victims of this situation to order work resumed in the mines.

"We wish to man our mines with our former employees if possible but our duty is also to the public. Therefore if the United Mine Workers do not resume work on the government's terms by Monday, December 8, we will on the following day open our mines to any competent labor to produce coal for the people of Iowa and keep them from freezing."

## Explosion Kills Six

Clinton, Ind., Dec. 3.—Six men were killed and three seriously injured in an explosion at Bogie Coal Mine, No. 3 at Jacksonville, near here late today. All of the men were either mine officials or employees in the office of the company, who, in attempting to get out sufficient coal for the boilers, set off a badly prepared blast. The mine has been closed by the strike.

The dead are: John Stark, Terre Haute, Herbert Campbell and Joe Robertson, Clinton office men; S. G. Stephens, Terre Haute, Civil Engineer; Charles Watson, Clinton, assistant mine boss and John Logsdon, Terre Haute, room boss.

The mine was not badly damaged by the explosion.

## Again Invoke Court Power

Indianapolis, Ind., Dec. 3.—The United States government today again invoked the powers of the federal courts in an effort to end the strike of 100,000 bituminous coal miners of the country.

Information charging criminal contempt of court was filed in the United States district court here against eight-four international and district officers of the United Mine Workers of America named in the court injunction issued immediately after the strike was called and requiring their appearance to answer the charges were issued late today. It is alleged that all of the officers have conspired to keep the strike in force and thus have violated the terms of the injunction.

Acting President John L. Lewis, Secretary-Treasurer William Green, Percy Tetlow, statistician, and Ellis Searies, editor of the Mine Workers Journal, the only officials of the organization in Indianapolis were notified of the action and agreed to report in court tomorrow to furnish bond, valued at \$10,000, by Federal Judge A. B. Anderson.

Dan W. Simms of LaFayette, Ind., special United States district attorney in charge of enforcement of the injunction stated today that removal proceedings to obtain the appearance in court here of officers who reside outside of Indiana will be instituted at once.

In connection with the issuance of strike benefits Mr. Simms declared that the injunction extends to any person whether or not a miner, who in any way encourages the strike and said that banks which honored checks drawn against a strike benefit fund were liable to prosecution. Mr. Simms stated that the citations against the men named today were only a start in the prosecutions against alleged violators of the injunction and that the action might be expected soon.

## Additional Skilled Workers

Topeka, Kans., Dec. 3.—Thirty additional skilled workers left various parts of Kansas tonight for the Pittsburgh coal fields where they will be distributed among the strip mines being operated under state receivership. The state supreme court today held a conference with a representative of the operators.

## WEATHER INDICATIONS AND TEMPERATURES

Illinois—Fair in north, unsettled in south portion with probably rain or snow Thursday; rising temperature; Friday unsettled.

Temperatures. The current, maximum and minimum temperatures as recorded Wednesday were:

The Bermuda assembly has voted to exclude autos from the island. Some auto drivers should be barred from the streets of this city.

St. Louis saloons and retail stores have been ordered by the regional fuel committee to open at 9 a. m. and close at 5 p. m. It has been thought the first mentioned were permanently closed.

A New Jersey court holds that husbands should not expect compensation for performing household duties, holding that it might establish a precedent where husbands might ask their wives for eight dollars or upward per week for starting the fires or holding the baby.

FROM FRENCH CHILDREN Christmas presents to the school children of the United States from the children of France are expected to arrive at national headquarters of the American Red Cross for distribution among the Junior Red Cross chapters, early this month. The presents are sent as a token of the gratitude of the French children for the help extended to them by the Junior Red Cross societies in this country during the war and repatriation. All the presents were made by the French children, ranging in ages from five years to fourteen years.

The Christmas box contains doll's furniture, games, puzzles, wooden animals, birds, chickens and poultry, painted by hand, cloth dolls, with hair made of yellow string, wobbly little water color paintings, pen wipers, needle

cases, head necklaces, and a score of other childish toys. They will be distributed among the Junior organizations as far as possible.

RED CROSS LOCAL SERVICE

The Home Service department of the American Red Cross, has been set at a new task at the request of the government. It is seeking out discharged service men particularly disabled ones, to determine whether they have availed themselves of all the benefits offered by the government, and also of the service of the Home Service Section, of which Rev. W. E. Collins, of this city, is local chairman. It is the primary aim to induce all disabled and ill ex-service men to take advantage of the treatment and training offered by the government in connection with the United States Public Health Hospitals. In these hospitals the men who are ill or disabled are treated for their injuries or disease, taught new trades if they so desire, and are paid the government compensation while undergoing the treatment and training. There are thousands of ex-service men to whom this service is available and these are the men the Red Cross is seeking.

A report on the Home Service work issued by National Red Cross Headquarters shows that \$8,711,937 have been spent in relieving distress among the families of enlisted men, since February 1918. A total of 360,241 families were aided. Six hundred and fifty two chapters have asked permission to extend their Home Service work, 81 of the chapters being in the Central Division, of which the local chapter is a unit.

INTELLECTUAL DISHONESTY

The Republican Publicity Association through its President, Hon. Jonathan Bourne, Jr., gave out the following statement from its Washington Headquarters: "By its appeal to the members of the Senate to 'get together' and ratify the peace treaty, the 'League to Enforce Peace' convicts itself of want of intellectual honesty. In its statement to the country and its appeal to the Senate, the League makes no mention whatever of the President, who absolutely controls the great majority of the Democratic members of the Senate and who insisted that the treaty must be ratified without the dotting of an 'i' or the crossing of a 't'. If the League were desirous of setting facts clearly before the country, it would place the responsibility for defeat of the treaty where it belongs—not upon the Senate but upon the President.

"It is not true, as asserted by the League, that the country is surprised and made indignant by the defeat of ratification. On March 4, 1919, there was introduced in the Senate a carefully prepared resolution signed by 39 Senators declaring their opposition to the League of Nations in the form proposed and demanding that peace negotiations be proceeded with expeditiously, leaving the league question for subsequent consideration upon its own merits. The country could not possibly be surprised at the action of the Senate in defeating ratification after President Wilson had carried out his threat to interweave the peace treaty and league covenant in such a way that they could not be separated. There has not been a day since

March when there could be the least possible doubt that the treaty would be defeated if it came to the Senate burdened with the league covenant. There could be no surprise at the result. Neither is it true that the country is indignant. In every election in which the issue of Americanism vs. Internationalism has been made the chief issue of the campaign, Americanism has won, demonstrating beyond a possibility of doubt that the American people demand preservation of American independence, the continued assertion of the Monroe Doctrine, loyalty to the American tradition of no European entanglements, and avoidance of such unconscionable agreements as the Shantung provision of the treaty.

"The League to Enforce Peace disseminates a false indifference when it asks the question 'Shall fifteen Senators decide where America shall stand in this world crisis.' That question has not been and cannot be decided by fifteen Senators. Thirty-nine Senators, or more than the number specified by the Constitution as sufficient to defeat a treaty, have united in a most solemn declaration of their determination to stand by American nationalism. Any man who assumes that any one of those men will go back on his written declaration lays himself open to the assumption that he himself would go back on a pledge made in a matter of like importance after similar deliberation. Members of the League to Enforce Peace are scarcely complimentary to themselves when they intimate that they expect the loyal 39 to yield their convictions.

"There is not one scintilla of evidence in support of the assertion that defeat of ratification of the peace treaty has encouraged social unrest at home and abroad. There has been no more unrest since the defeat of ratification than there was before.

"Only in one important particular does the League to Enforce Peace hit the truth—when it says, 'Men and women of America, this is your problem. Your interests, your welfare, the honor and the future of your country are involved.' Therein an absolute truth is stated—a truth that is becoming thoroughly understood by the country, despite the effort of internationalists to convey the impression that the best way to preserve is to surrender. This is truly the people's problem, and the people will uphold those who uphold American Independence."

Rippling Rhymes By Walt Mason

Winter Nights. Winter has unpleasant features as all honest men admit; when it comes, half frozen creatures are inclined to throw a fit. When big chunks of snow are whizzing on the bosom of the blast, and the bird comes a-bibbling, people sigh and say, "Dod Gast!" But for all the beastly weather there is recompense at night, when we camp around together by the grate fire, glowing bright. Father sits and reads a story, and he chuckles as he rocks; mother's feeling hunkydory, while she damps a pair of socks; and the little sons and daughters play around until they're tired; they have put away the swatters that the summertime required. There are sounds of joyous laughter, there is happiness galore, the tempest shakes the rafter and comes pounding at the door. Oh, this is an hour enchanting for our compensation meant, and old winter's wildest ranting cannot scare us worth a cent. And he thunders in his madness, and we hear him roaring bass, but our hearts are full of gladness, and we chuckle in his face.

The best pianos to be had at the least profit, made possible by selling direct from factory to you. Plenty of pianos in store. C. A. SHEP-PARD, 1201 S. East St.

TWO FAR AWAY SALES Recently Lukeman Brothers sent a satisfied customer a suit of clothes in Jacksonville, Florida, and another in Omaha, Nebraska, and both stated that they could save plenty of money by trading in Jacksonville.

OLD JACKSONVILLE ABOUT OLD MILITIA A By Ensley Moore (Member Illinois State Historical Society)

In the early days of this Republic the military and spirit was rife—after the Revolutionary War and that of 1812, it was deemed essential to have militia, and keep up some degree of training. This kept up, almost down to the Civil War, in some of the states—that is the "Training Day" as it was called, and considerable organization, the officers being especially "prevalent." In time people got to thinking it a joke, and it degenerated into a political and drinking jamboree, and ended as a roaring farce.

Illinois had its share of this work, and our state troubles with the Winnebagoes and Black Hawk and the Mormon War bred a frightful crop of Generals, Colonels, Captains and so on down, the result being there got to be about as many officers as privates.

How Franklin Showed Them Up. Several years ago the Franklin Times had a highly interesting and valuable "story" of those militia times, from which the following extracts are made: "The article had, in part, this heading: 'Much Interesting Information Contained in Regimental Record of Militia Who Drilled on Our Village Green Over Seventy Years Ago.'"

It then quoted: "By order of John P. Wright, Col. of 21st Regiment, 3rd Brigade, 3rd Division of Illinois Militia, a board of officers met pursuant to public notice at the home of John P. Wright in the town of Franklin, Morgan county, on the 16th day of April, 1842, for the purpose of making arrangements to alter the boundary lines of said companies belonging to said regiment. John P. Wright, Col.; Peter Roberts, Adj.; Hamlin Welch, Surg. Reg.; Elisha Jolly, Capt.; J. S. Talkington, Capt.; William M. Gibson, Capt."

The record then gave the boundaries for the companies of Captains William M. Gibson, William M. Greenup, Jacob Samples, Elisha Rolins (or Rolands) and Jacob Talkington.

In connection with these boundaries some of the officers were named and references made to creeks and mills.

The article then said: "All this may prove dry and uninteresting to the present day generation, but we are sure will be otherwise to old readers who still cherish a recollection of the annual muster days when the men gathered from miles with their long squirrel rifles and flint locks, many of them brought thru the wilderness from Virginia and Tennessee and Kentucky and New England, and clad in coonskin caps and homely jeans, went thru the manual of arms and paraded on the village green before admiring eyes of their wives and daughters.

And what visions of pioneer days it conjures up. How many of you know where Green's or Miner's mill was, or which fork of Apple creek is Welch's and which Burch's? James Green was the brother of H. G. Kevlin's mother and his mill stood on land now a part of the old James Rawlings estate between Durbin church and schoolhouse. Miner's was in the Little York neighborhood, and the fork of Apple creek just south of Franklin was known as Welch's fork by the pioneers, and that between here and Waverly as Burch's fork."

RECEIVES INVITATION TO ANNUAL CONVENTION J. F. Claus, of the Oakland Co. Wednesday received an invitation to the Third Annual Convention of the National Automobile Dealers Association, to be held at the LaSalle hotel, in Chicago, Jan. 26 and 27. This is an important meeting and will be largely attended. It is probable that the local association recently formed, will send delegates.

# PAWN TICKETS FIGURE IN REDDISH MURDER TRIAL

(Continued from Page One.)

session and said that he had, about a month before the murder of Stephen Reddish. He said it was a Colt's Police Special, but later corrected this statement and said it was a Colt's Police Positive. He said the gun was carried in a holster. The witness when shown a revolver and holster and asked if they were the ones which Horace Reddish had displayed, stated that he could not identify the holster, but that the revolver was the same pattern as the one Dr. Reddish had in his possession on the day in question.

**Saw Reddish on Saturday.**  
Upon cross examination the witness stated that he saw Stephen Reddish on Saturday, April 26, at the back door of the bank in conversation with some one.

John Ewin was the next witness called. He stated that he lives 300 yards south and east of the Reddish home, and that he heard shots fired after midnight on Friday, April 25. He said two shots were fired in rapid succession and then after a brief pause three or four more shots. The witness stated that the shots sounded as if they were fired in the vicinity of the Reddish home; was not positive that it was Friday night.

Isaac S. Parsell, the next witness, stated that he lived a block and a half from the Reddish home. He said he heard shots between 12 and 1 o'clock on or

about the 25th of April; heard two shots and then three or four a few seconds later. When cross examined the witness stated that it was his belief that the shots were fired the night of Friday, April 25.

**Heard Five or Six Shots.**  
Charles W. Simmons was then called and stated that he lives 400 or 450 feet in a direct line east of the Reddish home. He stated that he heard five or six shots on the night of April 25 or about that time; two shots in rapid succession, then a sound like a cry of a human being or a dog, then three more shots. Witness said he started to the window after the first two shots, paused when he heard the cry, then started to the window again, and believes two shots were fired after he reached the window. According to the witness the first shots were fired at about 12:10, and it was his belief that it was the night of April 25.

When cross examined the witness stated that the sound he heard after the first two shots were fired seemed to be rather suppressed, and he could not be certain whether it came from a human being or from an animal. This witness was questioned closely as to the time which elapsed from the time the first shot was fired until the last one was heard, and stated that he thought it was probably a minute.

Mr. Simmons was recalled after he had been dismissed and questioned further by the defense as to certain statements he made at the preliminary hearing.

**Garage Employee on Stand.**  
Charles Doering, an employee of the House of Garages in Alton, next took the stand. He stated that the garage adjoins the Mineral Springs Hotel on the east and that he had worked there since June, 1914. Witness testified that he had seen Horace Reddish upon one occasion when he left the car at the garage where he is employed.

**Dr. Bohannon on the Stand.**  
When cross examined at 1:30 o'clock Dr. Bohannon was on the stand and examination by the prosecution resumed. Witness testified that he found the body of Stephen M. Reddish lying on the left side with the left hand under the face; observed bullet hole just above right ear; thought Mr. Reddish was asleep when shot was fired which caused his death; did not know whether there was more than one wound, but later saw second wound about an inch back of the first. Witness stated that in his opinion either would have caused death.

The witness told of seeing the body of Rachel Cisco before the coroner's jury was taken to the room; said the dead woman was lying on her back with right arm over edge of bed; covers showed some little struggle had occurred. There was a bullet wound thru right hand, in the left forearm and also in the chin. Witness observed blood from the wound in the chin and also from the other wounds. The witness was shown bullet and asked if it was the one taken from pillow of murdered woman; witness said it was one similar to it.

Upon cross examination the witness told of noticing bow of ribbon on floor of Mr. Reddish's room, trousers and shirt and other articles also in the room. He said he noticed a perceptible odor upon entering the house, and found the body of Mr. Reddish badly decomposed, indicating that he had been dead for some time. The body of Rachel Cisco was not so badly decomposed, indicating she died later. Witness believed from condition of the respective rooms that Mr. Reddish was asleep when shot was fired and that Rachel Cisco was not asleep when the murderer shot at her. Witness stated he did not believe the wound in chin of Rachel Cisco could have caused instant death.

**Did Not Pawn Revolver.**  
Dr. Henry R. Gledhill of Jerseyville was the next witness. He was asked if he ever pawned a re-

volver. Defense objected and objection sustained. Witness was asked if on the 29th of April he had pawned a revolver at the pawn shop of L. G. Pink, 719 Pine street, St. Louis. Attorneys objected but objection overruled. Witness stated, "I did not."

**Dr. A. M. Wiles of Jerseyville** as then called. Witness stated he went to Reddish home about 12:30 April 30, having been notified of the murder of Stephen Reddish. The witness described minutely the appearance of the body and the condition of the room. He was of the opinion that the first shot fired at Mr. Reddish caused instant death; no indication of a reflex or struggle. Witness did not examine body to see if bullet went clear thru the head. The position of powder burn on Rachel Cisco's hand and arm led the witness to believe that she was holding up her hands to shield her face when the shots were fired. It was the opinion of the witness that the woman did not examine the body of Stephen M. Reddish scientifically, but that common sense would indicate that he was killed by a gunshot wound and the same was true of Rachel Cisco. Witness said he noticed blood on the floor but not a great deal on the bed of Rachel Cisco.

**Was Member of Coroner's Jury.**  
James Mason Galloway of Gratton was the next witness examined. He stated he was not acquainted with Stephen M. Reddish or Rachel Cisco. He was in Jerseyville April 30 and went to the Reddish home that day as a member of the coroner's jury inquiring into the cause of death. He told of probing the wounds of Mr. Reddish and of Rachel Cisco. He said he saw blood on the pillow of Mr. Reddish, and said bed covers were not disarranged. The witness stated that he saw the bullet hole in Rachel Cisco's pillow, and that there was blood on the pillow about her head and on the floor. He said he saw on a hot water bottle and a syringe, and on her bed a Turkish bath towel.

On cross examination Mr. Galloway stated that he had intended to examine Mr. Reddish's body further but that he was asked not to by State's Attorney Hamilton because it was desired to photograph the body before it was moved. He did not know of any whether or not the bullets passed thru the head.

The next witness was Mrs. P. J. Fleming, whose house is adjacent to that occupied by the Reddish family. She was questioned with reference to the appearance of the house on certain days immediately before that on which the crime is supposed to have been committed. These questions related particularly as to the days when a certain window of the Reddish house remained open. It was thru this window that Clarence Reddish testified he entered the home on various occasions. The witness stated that it was the habit of Mrs. Cisco to keep this window up when she was at work in that part of the house.

The final witness of the afternoon was August Reitz, proprietor of the Mineral Springs hotel at Alton. Court adjourned at 6 o'clock until 9 o'clock this morning.

**Christmas handkerchiefs.**

## WILL MEET FRIDAY

There will be a meeting of the Parent-Teacher of Jefferson school Friday afternoon at 3:30. Ivan Rossiter of Illinois College will give a talk. Refreshments will be served. Teachers and officers will be hostesses.

A. W. Cox and family traveled from Orleans to the city yesterday.

## Social Events

### Field Regular Business Meeting.

The Mothers and Friends Association held their regular monthly session at the home of Mrs. Flossie Denny, 945 East State street. There was a fair attendance and some business was transacted. The next meeting will be in the nature of a social December 14th at the home of Mrs. Frank Correa on West Walnut street.

### Standard Bearers Met With Miss Sheppard.

The members of the Standard Bearers Society of Brooklyn church met at the home of Miss Louise Sheppard Tuesday evening for the usual monthly meeting of the society. The program for the coming year was outlined and definitely decided upon. A social hour was enjoyed and refreshments served by the hostess.

### Entertainers Guests at New Pacific.

Merle Cain entertained at a six o'clock dinner at the New Pacific Monday evening in honor of his sisters, Miss Catherine Cain's guests, Miss Marge Karr of Belleville, Miss Margaret Baxter of Kirksville, Mo., Miss Vivian Richardson of Edinburg, and Miss Dorothy Weber of this city.

### Centenary Ladies Aid Met Wednesday.

The Ladies Aid society of Centenary church met in the church parlors Wednesday afternoon with a good attendance. The regular business session was held and plans completed for the annual turkey supper and bazaar to be held Tuesday, December 9.

### Mothers and Friends Are Entertained.

The Mothers and Friends association was entertained by Mr. and Mrs. Fred C. Benson at their home in South Mauvaster street Wednesday evening. Fifty guests were present and the occasion proved most enjoyable for all. Games were played and prizes won by Mrs. Fred Woodward and Mr. Ward. During the evening delicious refreshments were served.

### Mrs. Newton Wood Hostess to Missionary Society.

Mrs. Newton Wood was hostess to the Woman's Foreign Missionary society of Franklin M. E. church Wednesday afternoon. There was a large attendance of members. Mrs. James was in charge of the devotions. Mrs. L. J. Massie was the program leader. Miss Lila Seymour sang a number of songs and Victrola music also was furnished. The woods home was decorated with ferns and roses. A social hour followed and the hostess served a two course luncheon.

### Woman's Missionary Society of Union Baptist Church Met.

The Woman's Missionary society of Union Baptist church of Pisgah met Wednesday afternoon with Mrs. A. A. Curry. The regular business session was held and it was planned to give an entertainment at the home of Mrs. Homer Wood during Christmas week for the members and their families. A program of musical selections was given and Mrs. Grace Wood gave a reading. The society pledge to missions also was reported as complete and in addition the sum of \$25 for current expenses of the church. The pastor, Rev. E. M. Crabtree was present as was also the Rev. Mr. Belton who is conducting meetings at the church. Other guests were: Mesdames Diddle, Barrows, Shutt, Camm, and Curry of Waverly. The next regular meeting will be held with Mrs. Ella Samples the first Wednesday in January.

### Wednesday Class Met With Miss S. M. Fairbank.

The Wednesday Class met yesterday afternoon with Miss S. M. Fairbank, 216 Caldwell street with a large attendance. Miss Albina Sanders who is a guest of Mrs. Frank Elliott told the class something of her experience in England during the war. Miss Sanders was in Paris when the war started and told of her trip from that city to England. She also did much war work, making surgical dressings in London and developing her garden during a stay in the country. She also showed her identification card which all aliens had to carry in the last days of the war. Her talk was of a most interesting kind and greatly appreciated by the class. Following the talk and business session the hostess served tea. The next meeting will be held with Mrs. A. L. Adams.

### Woman's Club Held Appear Sale.

The Woman's club held an apron sale Wednesday afternoon at the home of Mrs. Bernard Gause of North Church street. The house was tastefully decorated for the occasion and the hall was fitted up for a salesroom, about fifty aprons being offered for sale. The sale was for the purpose of raising money for use by the Woman's Club which has many demands made upon it. Tea was served by the ladies of the Domestic Science Round Table, the committee in charge being composed of Mrs. M. C. Hook, Mrs. J. E. Knapp and Mrs. J. L. Cogswell. The committee in charge of the sale was composed of Mrs. E. B. Spink, Mrs. John Buckley, Mrs. Bernard Gause, Mrs. F. W. Bolton and Mrs. W. D. Doying.

### VISITORS FROM WINCHESTER

Mrs. Ward Thompson, Mrs. Oliver Woodall and Mrs. Ray Coultas of Winchester visited Mrs. Coultas parents, Mr. and Mrs. Orsby Dawson on Webster avenue yesterday.

### HERE FOR TRIAL

The following Jerseyville people are attending the Reddish murder trial here: Gussie Campbell, Henry Shaw, Roy Harris, P. Fleming and wife, George Cope, C. W. Lynch, C. W. Mourning and Minnie Campbell.

## WHITE HALL SMALLPOX SITUATION IMPROVING

Seventeen Cases Have Been Released From Quarantine in Last Three Days With Only Two New Cases.

White Hall, Dec. 3.—Ten more cases of smallpox were released from quarantine today. This is a total of seventeen released from quarantine in three days, with two new cases developed. This shows that the local smallpox situation is rapidly clearing up. Stories will be released from the vaccination certificate order some time next week.

## CONSERVATION OF COAL IS IMPERATIVE THRUOUT STATE

(Continued from Page 1)

representative of the receivers regarding the issuance of \$10,000 worth of receivership certificates to finance operation of the mines and it was stated that they would be placed immediately.

Richard Hopkins, attorney general, ordered an inquiry into charges that profiteering in the sale of wood was going on in the state. He announced that the state would use its full powers to prevent excessive charges being made for this fuel.

## To Guard Volunteer Mines

San Antonio, Texas, Dec. 3.—Two companies of the 24th infantry, negroes, at Columbus, N. M., and a squadron of the 13th cavalry at Fort Clark and Del Rio, Texas, were ordered by General Joseph Dickman tonight to proceed to Oklahoma for duty in guarding volunteer coal miners. The troops are expected to enter Thursday.

General Dickman announced that this was the only request he has had for troops to guard mining property.

## Alleged Profiteering in Fuel

St. Louis, Mo., Dec. 3.—To check alleged profiteering in fuel oil, the southwest regional coal committee today requested Federal Fuel Administrator Garfield to order that prices prevalent at the beginning of coal strike be the maximum charges for such oil.

The committee controls the fuel distribution in Missouri, Nebraska, Oklahoma, Texas, Arkansas, Louisiana and part of Alabama. It requests says many industries in the region are using fuel oil as a substitute for coal and that fuel oil refineries are taking advantage of the crisis by "raising prices, in some places daily."

St. Louis municipal institutions are virtually without coal and it was necessary to maintain a 60 degree temperature in city buildings today. What coal was obtainable was rushed to the hospitals.

It was reported here that Delville, Illinois, schools will close Friday because of the coal shortage.

## Sewing Machine Plant Closes

Belvidere, Ill., Dec. 3.—The National Sewing Machine Co., employing 1,200 men will close tonight, because of the coal shortage. The plant of the Belvidere Screw and Machine Co., employing 600 men, closed tonight.

## Fix Retail Business Hours

Rockford, Ill., Dec. 3.—Retail business hours will be from 9 a. m. to 4 p. m. factories will be operated half time, and the public schools will be closed as a result of conference of business manufacturers and city authorities on the local fuel situation. Decision as to theaters, churches and club houses, will be made late today.

## Refuse to Carry Men or Coal

Pittsburg, Kans., Dec. 3.—Members of an Atchison, Topeka & Santa Fe railroad crew that today refused to haul volunteer diggers working in the coal mines near here under the state re-cooperation, tonight visited Alexander M. Howat, president of the Kansas miners and advised him they would not carry troops, men or coal under the volunteer plan, it was announced.

It was thought tonight that another crew would replace the men. The Brotherhood representatives who were their national officers Monday for authority to refuse to handle the "volunteer coal" have received a ruling that they will be required to haul the coal.

## 8,000 Steel Workers Idle

Gary, Ind., Dec. 3.—Eight thousand steel workers were thrown out of work here today when the American Sheet and Tin Plate Co., the largest manufacturing concern of its kind in the world was forced to close because of the coal shortage.

All mills of the company were shut down completely, and reports reaching here that the company's plant at Elwood, Ind., employing 4,000 to 5,000 persons, also had backed its fires.

## Adopt Strict Schedule.

Rock Island, Ill., Dec. 3.—Beginning today stores and offices open at 9 a. m. and close at 4 p. m. factories close at 3:30 p. m., and operate as much as possible at night to use water power otherwise wasted and the Rock Island arsenal goes on a five day a week basis and diverts as much of its water power as possible for use in nearby cities. All amusements are closed and churches and lodges permitted but no meeting a week. This is the schedule adopted for Rock Island, Moline and East Moline, Ill., and Davenport, Iowa, to save coal.

## Burning Ear Corn in Neb.

Belfast, Neb., Dec. 3.—The coal supply here is entirely exhausted. Ear corn is being burned. Wayside is in the same condition with no coal whatever.

## Funerals

**McSherry.**  
Funeral services for Bernard McSherry were held from J. H. O'Donnell's undertaking parlors Wednesday in charge of the Rev. Father Cahill. The services were private. Burial was in Calvary cemetery.

**McDaniel.**  
The funeral of Green McDaniel, formerly of this city, whose death occurred Sunday morning, Nov. 30th in Springfield, Ill., at St. John's Hospital, was held at the home of his mother, Mrs. Matilda McDaniel of Old Berlin Tuesday afternoon at 2:30, the services being conducted by the Rev. Cheserant of Island Grove. Music was furnished by Mr. and Mrs. Sherman Spencer and Mrs. Jas. McDaniel, who sang very sweetly "There's a Land That is Fairer Than Day," "God Will Take Care of You," and "God be With You Till We Meet Again." There was a profusion of beautiful flowers, among them a beautiful blanket of chrysanthemums from the Dudley board of Springfield. The flowers were in charge of Mrs. Charles Brannum and Mrs. Sherman Spencer of Jacksonville. The pall bearers were Sherman Spencer, Charles Brannum and Robert Brannum of Jacksonville, and Logan McDaniel, William McDaniel and Robert McDaniel of Old Berlin. Burial was in the Berlin cemetery.

## Deaths

**Fidler.**  
Dr. J. R. Harker of the Woman's College received a message Wednesday morning telling of the death of Miss Edith Fidler, a student at the college. Miss Fidler's death occurred at her home in Newman, where she went on Saturday to spend the week end. She was stricken with acute indigestion on Tuesday morning and her death followed shortly afterward. The deceased was a member of the sophomore class and had taken an active part in various college affairs. Her untimely death is a source of deep regret to her fellow students, with whom she was very popular.

Miss Fidler is survived by her mother, Mrs. Eda Fidler, and one brother eighteen years of age. Her father preceded her in death just a year ago. The funeral will be held at Newman at 2 o'clock Friday afternoon and the services will be attended by representatives of the faculty and student body of the Woman's College.

## A WESTERN VISITOR

The Rev. H. G. Chair, pastor of the Presbyterian church at Sioux City, Nebraska, was a visitor in this city on Tuesday. He was enroute to Decatur and Chicago.

Delmar Kitzerman, wife and son were city callers from Scott county yesterday. Albert Troop of Alton was one of the city's callers yesterday.

## Children Cry for Fletcher's

# CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of *Dr. J. C. Fletcher* and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

## What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, and the assimilation of Food; giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

## GENUINE CASTORIA ALWAYS

Bears the Signature of

*Dr. J. C. Fletcher*  
In Use For Over 30 Years.  
The Kind You Have Always Bought

THE CENTAUR COMPANY, NEW YORK CITY.

## Matrimonial

**Marion McGillen.**  
Frank Marion and Miss Florence McGillen of Pleasant Plains were united in marriage at noon Wednesday by the Rev. D. V. Goudy pastor of Centenary church. The ceremony was held at the parsonage and was witnessed by Miss McGillen, a sister of the bride, and Mr. Handy, both of Pleasant Plains. The couple have gone to Bowen for a brief visit after which they will reside in Pleasant Plains.

## MEETING POSTPONED

The meeting of the Service Star Legion (War Mothers) which was to have been held Friday has been postponed on account of the coal situation.

## WILL WINTER IN SOUTH

Charles Taylor of Chapin was a caller in town yesterday. He says he and his wife expect shortly to depart for St. Petersburg, Florida to spend the winter.

## SENIORS ANNUAL BANQUET

The Seniors of Illinois College are to have their annual banquet at the Peacock Inn tonight.

## SS HELEN HAGAN GAVE PIANO RECITAL

Liant Colored Pianist Appeared at Mt. Emory Baptist Church—Is Graduate of Harvard University—Studied Profession in Paris.

When the appearance of a colored pianist, Miss Helen E. Hagan, was announced at Mt. Emory Baptist church last evening, the writer accepted an invitation to be present, posing he would hear a clevering artist, but he had not the faint idea of what he was to see.

Before the concert began there time for a short interview the lady proved herself to be a charming person, talented and ed in every way. She speaks with fluency and as for piano, she is surely a mistress in every sense of the word.

## THE OBSERVATORY

While we are looking about earnestly for fuel substitutes, it has been suggested that there are a number of chips off the old blocks which would never be missed.

Hog Island yesterday launched its 72nd ship—the 71st since the armistice.

Having broken a number of long wet spells by buying an umbrella, a Jacksonville man is considering relieving the cold cold shortage by the purchase of a fur cap.

"It is better," the coal miners are quoted, "for the people to suffer from a lack of coal than that the miners be treated unjustly by the operators." Which is a new note in diplomacy, a most unusual manner of ingratiating oneself with the only court from which justice can come.

The print paper situation is the principal subject for comment among Illinois publishers. A number, however, continue to use colored supplements.

"This is a great age in which to live," says the Dodge City Globe. Indeed, if one can succeed in living in this age, living in other ages will be as picnics.

Graphic language employed by one of our young society matrons, when asked if a certain couple were not happily married: "Well, they ought to be—she's a cake of ice, and he's a poor fish."

**HIS INTENTION.**  
"I was 82 years of age this year," admitted old Emory Umps. "I have never accomplished anything of special importance during my somewhat extended career. I have tried my hand at 'most everything, one time and another, and fallen down more or less flat at nearly all of it. And now, having been practically a false alarm and total failure all these years, I am going to live on my son-in-law, and divide my time about equally between criticizing the way everything is done nowadays and telling the rising generation how to make overwhelming successes of their lives."

**NOT ENOUGH BUTTINSKYS**  
What we need in most every community is more fellows who will attend to other people's business. The other people are too careless of their business and over-careless of many points. Besides, they don't know anything about their own business affairs anyway. The fellows who devote most of their time to other people's business are more efficient and can handle the other man's business better than he can himself. They admit that fact themselves, so it must be so. The fellow who never had a bank account can give the bank president all sorts of pointers on how to improve his business. Then there is the man who can tell a minister just how to preach and how to manage his flock. Very few editors know how to run their papers, but the fellow who has been in a printing office three times in his life knows all about it. All towns would be better if they had more buttinskys on the job. Just because a man is successful is no sign he knows how to run his business. It is a paying job, too—this running of other people's business.—Osborne Village Deacon.

**NOTICE**  
Such a commotion was raised the governor thought he better take note of it and summoned representative men of both races. Mr. Guy being one, to confer regarding the matter hoping the colored contingent would be awed and do as he desired but he was grievously mistaken and so grandly did the colored people stand up for their rights that all the sentences have been suspended and the accused are to have a fair trial, a colored and a white lawyer to defend them and it is doubtful if any of them are punished.

**NOTICE TO PATRONS**  
Because of the fuel shortage it has been necessary for us to temporarily close our washing stand. Until further notice we will therefore be unable to wash automobiles.

**CHURCH SAVED FUEL.**  
The people of Westminster church did something in the line of conservation last night when they held the weekly prayer service at the home of Mr. and Mrs. Easley Moore. The church bell was rung as usual but the people who assembled proceeded to the Moore home and no fuel was consumed.

## WILLIAM GUY HAS WON SUCCESS

Colored Boy Educated Here Prominent Minister in Ft. Smith, Arkansas—Has Spent His Years in Teaching and Preaching Gospel—Made Address at Mt. Emory Baptist Church.

About thirty years ago a colored boy came to this town with good health, upright character, a sound body, a good mind and a determination to get an education. He was William Guy son of a colored minister who went from Ohio to Shelbyville, Tenn., where he showed so much talent and earnest desire for the welfare of his race that he incurred the ill will of the night riding individuals called the Ku Klux Klan who gave him just so long to make himself scarce. With a family, the youngest three months old, and the subject of this article, the good man moved to Missouri where he served churches in Hannibal, St. Charles, (the place to which Rev. Warren Nichols went in 1833 and remained a year) and other places. He could only leave his family a good name and worthy aspirations and he did that and William came to Jacksonville where he had heard it was the place where a colored boy would have a chance. He worked hard and graduated from the high school in 1895 winning the first Latin honors and valedictory and with it a scholarship in Illinois College from which he graduated with honor in 1899.

While a student he worked for Henry B. Rankin, now of Springfield, and Dr. T. J. Pitner. His first work was as a teacher of mathematics a year in Kittrell College North Carolina where he also served as chaplain. He then went to Wilberforce University, Ohio and studied theology three years. For four years he taught in Lancaster University, Oklahoma, doing much preaching also.

**Succeeded as Teacher**  
Next for several years he served as principal of schools in Enid, Oklahoma, Coffeyville and Leavenworth, Kansas, after which he gave himself up to the ministry entirely. For four years he has been pastor of a colored church in Fort Smith, Arkansas, and is succeeding well. He has a church with a membership of 350 and a number of them come to church in automobiles. The church has fine community rooms with places for all kinds of gatherings and is very prosperous.

The place numbers about forty thousand and is hardly a typical southern city, as it is situated in the northwest corner of the state and colored people have as many privileges, political and all as in Jacksonville, except that they have separate schools and have enough for a graded school with twelve teachers and a high school with eight, all of both colored. Ft. Smith is a prosperous community with nearly all streets paved and all kinds of improvements.

At the entertainment at Mt. Emory church last night Mr. Guy was asked to speak as he will not be here tonight as was expected. He told in a tender manner of his early days in Jacksonville, the kindly way in which he was treated and the thorough appreciation he had for it and the gratitude he felt toward all who had befriended him. He expects to bring his wife and two sons here next May for a short visit.

**Tells of Race War**  
He gave a thrilling account of a race war in Phillips county, Ark. A number of colored farmers feeling they were not being treated right by their landlords secured the services of a lawyer to look after their interests but that didn't suit the landlords who had been fattening off the ignorant tenants so they forbade a meeting in a hall. The men went to a church and the deputy sheriff and some others fired into the meeting and the colored people replied, killing two persons. Then arose the war, the church was burned and a packed grand jury of enemies returned bills which resulted in eleven being sentenced to death and forty to the penitentiary.

Such a commotion was raised the governor thought he better take note of it and summoned representative men of both races. Mr. Guy being one, to confer regarding the matter hoping the colored contingent would be awed and do as he desired but he was grievously mistaken and so grandly did the colored people stand up for their rights that all the sentences have been suspended and the accused are to have a fair trial, a colored and a white lawyer to defend them and it is doubtful if any of them are punished.

## HIGH SCHOOL NOTES

H. C. Hopkins, principal of the Jacksonville High School was made a member of the State Board of Control of the Illinois High School Athletic Association at the high school conference at Champaign last month.

One of Mr. Hopkins' first duties as a member of this board will be to attend a meeting of the board at the LaSalle Hotel in Chicago next Saturday at 9 a. m.

This meeting is a very important one as the basketball policy for the winter will be considered and decided upon. Protests from previous meetings will also be considered.

It is reported that \$150.00 was cleared at the high school carnival which was given Nov. 26th. It was the most successful carnival ever given by the school.

Coach Hufford of the high school was very much pleased to report that forty-five men turned out for basketball practice Tuesday evening between 7 and 8 o'clock. A very successful quintet should come from these forty-five enthusiastic fellows.

**Centenary turkey supper and bazaar Tuesday evening, December 9.** A limited number of tickets will be sold. To secure your tickets call Illinois phone 413.

**NEW PHARMACIST HERE**  
D. E. Ayres, an experienced pharmacist of Tallula, has entered the employ of the Long pharmacy on the east side of the square. Increasing trade has made this addition to the force necessary.

**"SNAKE OIL" STOPS PAIN**  
Over Ten Million Bottles Sold

Letters from thousands of people all over America prove that Miller's Antiseptic Oil (known as Snake Oil) is probably the greatest known remedy for rheumatism, lumbago, stiff joints, sprains, la grippe, colds, pneumonia, influenza, etc. They say that "Snake Oil penetrates so quickly that it is sure to stop pain. Mr. Adam Nabors, Provencal, La., writes: "Enclosed find \$2 for some more 'Snake Oil.' We all like it fine. Please send at once." Mr. H. M. Atwell, Center, Ky., writes, "I have tried two bottles and have received great relief. Please ship a \$1 bottle at once as we are needing it badly." Get a 30c, 60c or \$1.00 bottle today from any good drug store with the understanding that your money will be returned if you are not satisfied. Demand the genuine Miller's Antiseptic Oil (known as Snake Oil). For sale by Armstrong & Armstrong.—Adv

## HIGHWAY MEETING TO BE HELD MONDAY

Mississippi Valley Highway Association Will Meet at Beardstown—May Locate Division Point Here.

A. E. Nissen of Iowa City, Iowa, has been in the city for the past few days relative to the meeting of the Mississippi Valley Highway Association which will be held in Beardstown at the city hall next Monday.

The Mississippi Valley Highway Association is successor to the famous Burlington Way, the name having been changed at the meeting of the association held October 20, 1918. Mr. Nissen is an honorary life member and official organizer of the association.

Through the efforts of C. N. Priest of this city the subdivision of the trail has been changed from Burlington, Iowa—Beardstown—St. Louis to Burlington—Jacksonville—St. Louis. This means that all roads will lead to Jacksonville.

The road building program now in progress will complete this trail from the iron mines of the far north to the sandy shores of the distant south, to quote to the association folder. The meeting to be held in Beardstown is for the purpose of organizing the Burlington and Jacksonville division and get the community moulded into one big "Go Ahead Club."

Jacksonville has always been interested in the Burlington Way

and the interest no doubt will continue under the new name. It has furnished two presidents for the association and one, Carl H. Weber is at present promotion officer for the North for the association.

Mr. Nissen spoke highly of the Jacksonville men who have given such efficient and unselfish service to the association. It is probable that if present road conditions continue, there will be a large delegation make the trip to Beardstown Monday.

## THE PRICE OF EASTERN COAL

Wednesday we received our first car of coal from Ohio. This coal costs us:

Mine price per ton	\$5.00
Freight, per ton	3.73
Shortage, per ton	.25
Delivery, per ton	50

\$9.48

We offer this coal, under supervision of the fuel committee, at \$10.50 per ton.

## RIGID FUEL SAVING PLANS VERY NECESSARY

CITY OFFICIALS AND UTILITY MEN IN CONFERENCE

Understanding of Seriousness of Situation Comes as Definite Reports are Made from Various Cities—Will Co-Operate With Commission in Bringing About Strict Economy—Must Find Increased Supply.

Mayor E. E. Crabtree and E. H. Gray, superintendent of the Jacksonville Railway & Light Co. were in Springfield yesterday to attend a conference called by the state utility commission with reference to fuel conservation. The session began at 10 o'clock and continued until the late afternoon.

The Springfield dispatch which appears elsewhere in this issue shows that the officials and utility men representing a dozen central Illinois cities came to a new understanding of the acuteness of the fuel supply situation and joined in recommending to the utility commission drastic measures for fuel conservation.

There is but little doubt that the commission will speedily issue orders requiring the curtailment of service which will have the effect of bringing about the necessary conservation. Mayor Crabtree was named a member of the conservation committee and an organized effort will be made in all the cities to have uniform plans followed in the saving of

fuel. These plans will be localized to fit the special needs.

Plans for Long Shut Down It was the unanimous sentiment at this conference that the difficulties with the miners may not reach a settlement for ninety days and that plans should be fully outlined for fuel conservation and production to run thru this period. The idea of a fuel committee in each city was endorsed and it was suggested as absolutely necessary that in each city there be a united effort to secure surplus supplies of wood to make good a part of the coal shortage. It was fully explained that until the production of coal is increased that only a comparatively small amount can be expected in any city.

Mayor Crabtree found on hearing reports from other cities that Jacksonville is fortunate in the supply in the hands of consumers, that in many cities the shortage has already been felt much more acutely than has thus far been true here. In a number of cities plans have already been formulated for supplying certain designated public buildings with heat so that families unable to obtain fuel may find refuge there when colder weather comes.

Would Protect Industries After a long discussion it was the sentiment of the majority at the conference that it will be a wise measure to keep employing industries in operation as long as possible. The shutting down of industries would throw people out of employment and mean that many of them would not only be without fuel but without the funds for buying the other necessities of life. With thousands of unemployed people in the various cities unrest would increase and the situation become more unsatisfactory and fraught with danger.

The formal order of the utility commission has not yet been issued but just as soon as this has been done Mayor Crabtree will call a mass meeting of the citizens of Jacksonville to work out a plan of co-operation. At the same time some organized effort will be undertaken for securing wood and additional fuel supplies. In Springfield such fuel as is available can be secured only thru a committee of distribution operating at the city hall. Some like plan may be worked out here and the fuel distributed at cost or the distribution may be thru the local dealers under the direction of the fuel committee.

## Will Discuss Plans.

When the mass meeting of citizens is called then will be the time to approve the plan which meets the greatest favor. An organization which attempts to handle the whole fuel supply for a city of this size will have a large task to perform and no doubt a mass meeting will bring about a discussion which will result in the adoption of the most feasible plan.

There is a growing understanding of the seriousness of the whole situation and it is just as well that this is true for a knowledge of the truth will make the conservation plans much more effective.

## DECEMBER SALE

of ladies' suits, coats and dresses. This sale includes all late fall and winter models. Ladies' suits, all the new fabrics and latest tailored effects. You will find some very choice bargains in these suits.

Latest styles and colorings of ladies' street and evening dresses. The reduction in prices will surprise you.

## CAR OF FISH IS PLACED IN NEW LAKE

Was Secured Thru Efforts of Jacob Frisch, Representative from This District—Placed in New Lake Wednesday Evening.

A car of fish from the state fish commission was placed in the new lake Wednesday night. The consignment contained 2,232 black bass, some rock bass and some ring tails.

The bass were all state fish while the others were furnished by the federal fish department. Fish Warden Barnett in charge of the hatchery at Meredosia accompanied the car here. The black bass were all sealed from Smith lake.

Some months ago Henry Frisch took up the proposition of stocking the new reservoir with fish with his brother, Representative Jacob Frisch. The latter laid the matter before Chief Fish Warden Bradford.

Arrangements were immediately made to send several cars of fish here. However, Mr. Frisch and T. A. Chapin who were in charge of the local end of the proposition did not believe there was sufficient water in the reservoir at that time. Hence the fish were not sent. It is getting so late in the season now that it is not probable any more can be sealed. However, Mr. Barnett said if it was possible they would get another car here this winter.

The car arrived in Jacksonville from Meredosia over the Wabash Wednesday evening, being attached to the passenger train due at 9 o'clock. Messrs. Frisch and Chapin were at the station with trucks to receive the fish. The trucks were kindly donated by Andre & Andre, W. S. Cannon Produce company, Elbridge Co., and C. A. Sheppard. Work was immediately commenced transferring the fish from the tank on the car to the trucks. The work was carried forward so rapidly that the last truck load was on its way to the lake shortly after midnight.

The black bass were unusually fine specimens, some of them weighing several pounds. Many of the fish will spawn next spring which will assure millions of young bass. Only one fish was found dead in the entire shipment. Already fishermen are overhauling their tackle and buying new tackle preparing for the fishing season. The new reservoir promises to be a popular place next year.

A big assortment of men's sweaters are shown by FRANK BYRNS Hat Store at most reasonable prices.

# Symbols of Service

FROM your seat in the train as you journey through the Middle West, you see at almost every station you pass the great, white storage tanks of the Standard Oil Company (Indiana). These bulk stations are maintained to insure prompt delivery of petroleum products to the people in that community. To them these tanks are Symbols of Service.

As you motor over the highways and byways of the countryside, you pass the dark green tank wagons of the Standard Oil Company (Indiana) busy delivering petroleum products from the bulk stations to the farmer's tank. To the farmer these are Symbols of Service.

At convenient points in city, town and hamlet you find attractive service stations, beautifying ugly corners. These are maintained for your convenience and to you they are Symbols of Service.

You stop at a railroad crossing to let a train pass. In it are a number of tank cars, hurrying forth from the Standard Oil Company (Indiana) refineries to replenish the stocks at bulk stations. Aside from their usefulness as carriers, these also are Symbols of Service.

The Standard Oil Company (Indiana) is a service organization, and wherever you may see its name or a piece of its equipment, you see a Symbol of the Service it is striving to give in maintaining its position as a public servant doing its full duty.

## Natski Blood Purifier

Possibly you are one of the many persons that have suffered years with Rheumatism—possibly you have tried many remedies without avail. There's a man in Moweaqua, Illinois, who has discovered the relief for rheumatism. This claim is not without proofs, for below we print three of the many letters we have received about Natski Blood Purifier. Read them each thoroughly:

ALL ACHES AND PAINS  
GONE

Read What this Moweaqua  
Man Says Natski Blood  
Purifier Did for Him

Moweaqua, Ill.,  
Aug. 23, 1918.  
Having suffered with rheumatism for two winters and having tried several physicians and different kinds of medicine, Natski Blood Purifier was recommended to me on a "money back" guarantee.

After taking seven bottles of this medicine have not been bothered with a rheumatic ache or pain since  
BERT TOLSON.

ASSUMPTION, ILLINOIS  
MERCHANT IS CONVINCED

To Whom It May Concern:  
On the 28th day of February, 1918, I was taken down with rheumatism and lay in bed six weeks unable to move. As soon as I was able to get up and around I went to take mud baths which helped to some extent. I was still unable to raise my hands and had considerable trouble in getting around when I discovered Natski Blood Purifier at Or. Johnson's Drug Store. After taking a few bottles of this medicine I felt a decided change for the better and at the present time I am able to do any of the work that has to be done in the store. Try it my friend and be convinced.  
F. B. EAGER.

MOWEAQUA FARMER  
CONVINCED

To whom it may concern:  
I have suffered for ten years with rheumatism and for 2 years before this spring, I could not put on my coat and vest without help and for months I took osteopathy and electric treatment and was not helped. In the spring of this year Natski Blood Purifier was recommended to me, and after taking three and one-half bottles all rheumatic pains left me and while I have continued the occasional use of it since and have had no recurrence; have done any kind of harvesting, baling hay and other heavy work about the farm, which I had not been able to do for two or three years.  
ADAM ELLRICH.

Your local druggist has purchased a supply of Natski Blood Purifier for your community. Go to him today for your first bottle. If he cannot supply you, write direct to the Company for it. Don't delay another moment, when you can so easily have relief. What it has done for others it will do for you.

Price \$1.50 per bottle.

Penetrates without rubbing, leaving no stained skin, clogged pores, mussy hair. A pain and ache liniment that stands alone in doing what it is meant to do. Get a bottle today and keep it handy. All druggists. Three sizes—5c., 70c., \$1.40.

**Sloan's**  
Liniment

## SMALL POX SITUATION IN WHITE HALL BETTER

No New Cases Reported for Two Days—Odd Fellows Elected Officers.

White Hall Dec. 2.—At noon today City Marshal T. E. Conlee stated that no new cases of smallpox had been reported to him for two days, and that during this time seven cases had been relieved from quarantine. This shows that the epidemic is rapidly abating under the rigid regulations of the local health authorities, whose course was given approval at a conference of business men Monday morning, at which time the situation was thoroughly reviewed, and it was decided that the favorable turn of affairs shown at this conference would enable the ban to be lifted to a large extent within ten days. City Marshal Conlee has charge of the quarantine enforcement regulations, and every case coming to the attention of the physicians is promptly reported to him. The maximum number of actual cases under quarantine, not counting those who had been quarantined because of exposure, is sixty, and this number had been reduced seven at noon today.

The highly satisfactory health showing is now giving way to the fuel situation. Another cold wave struck this vicinity today, bringing the temperature down to sixteen degrees, the same as was reached last Saturday night, and still colder weather is in sight for the next two days. Demands upon local dealers for coal today is tremendous, and there is not a pound in the hands of local dealers. The Ruckel pottery has suspended operations because of exhausting their fuel supply, and the sewer pipe and the drain tile works are facing a shortage that means a gradual curtailment of working forces in order to make

SALE OF \$131,000  
JACKSONVILLE, ILL.  
FUNDING BONDS

The City of Jacksonville will receive sealed bids at the office of the City Clerk up to four o'clock P. M. Friday, December 5th, 1919, for the purchase of \$121,000 of Funding Bonds, dated December 1st, 1919, bearing interest at the rate of five per cent per annum, payable semi-annually, at the office of the City Treasurer in said city. Twenty of the bonds are of the denomination of \$500 each and mature one each year beginning December 1st, 1920 through 1939. One hundred and twenty-one of the bonds are of the denomination of \$1,000 each and mature \$60,000 beginning December 1st, 1920 through 1938, and \$7,000 due in 1939. These bonds are issued to pay valid indebtedness of the City of Jacksonville. All bidders will be required to accompany their bids with a certified check of \$2,000, as an evidence of the good faith of the bidder, and that he will take up and pay for the bonds if the sale is awarded to him. Failure to do so, said sum of money shall be forfeited to the city as liquidated damages. The bonds will be ready for delivery to the purchaser immediately upon acceptance of the bid and unless the bonds are taken up and paid for within five days after notice of award of sale, the check aforesaid will be forfeited to the city. The approving opinion of Charles and Rutherford, Attorneys of the City of St. Louis, will be furnished to the purchaser of the bonds. The City Council reserves the right to reject any and all bids.  
(Signed),  
E. E. CRABTREE, Mayor.  
R. L. PYATT, City Clerk.

**DADDY! YOUR HAIR  
NEEDS "DANDERINE"**  
It Always Checks That Ugly Dandruff and Stops Hair Falling.

**S. O. S.**  
If Constipated, Bilious  
or Headachy, take  
"Cascarets"

Sick headache, biliousness, coated tongue, or sour, gassy stomach—always trace this to torpid liver; delayed, fermenting food in the bowels.  
Poisonous matter clogged in the intestines, instead of being cast out of the system, is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.  
Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels. A Cascaret tonight will surely straighten you out by morning. They work while you sleep.—Adv.

To stop falling hair at once and rid the scalp of every particle of dandruff, get a small bottle of "Danderine" at any drug or toilet counter for a few cents, pour a little in your hand and rub it into the scalp. After several applications the hair usually stops coming out and you can't find any dandruff. Soon every hair on your scalp shows new life, vigor, brightness, thickness and more color.—Adv.

## City and County

Mrs. John Boddy of Markham made a trip to the city yesterday. George Flagg and daughter journeyed from Lynnville to the city yesterday.

Miss Frances English is expected home tonight from an extended visit with her sister, Mrs. W. H. P. Huber and family of Elgin. Mrs. Jennie Roberts helped represent Bluffs in the city yesterday.

Roy Young of the east part of the county made a trip to the city yesterday.

Mr. and Mrs. Frank Rolfe were down to the city from Arcadia yesterday.

Osceola Norrup of Meredosia was a city visitor yesterday.

Lee Thompson was a city arrival from Winchester yesterday.

M. C. Thompson helped represent

## BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, gripping cathartics are derived from Dr. Edwards' Olive Tablets without gripping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowels and liver complaint, with the attendant bad breath.

Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c.

**NOT A THEORY**  
It's a fact that the use of alcohol even in moderate doses as taken in tonics is often habit-forming in effect.

**SCOTT'S EMULSION**  
an easily assimilated tonic-nutrient supplies the body with those elements that contribute to strength. Free from alcohol or any other harmful element. Scott's builds strength by nourishment.

Scott & Bowne, Bloomington

Thousands of women have kidney and bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease.

If the kidneys are not in a healthy condition, they may cause the other organs to become diseased.

Pain in the back, headache, loss of ambition, nervousness, are often times symptoms of kidney trouble.

Don't delay starting treatment. Dr. Kilmer's Swamp-Root, a physician's prescription, obtained at any drug store, may be just the remedy needed to overcome such conditions.

Get a medium or large size bottle immediately from any drug store.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention the Jacksonville Journal.

—Adv.

## Beauty Answers

By MADAME MAXE

THERE are many things which will make your skin beautiful, but many of them are so irritating, burn and red, and make it so tight and so dry, that it is no longer a pleasure to go out in such a savage manner. Superfluous hair can now be removed by an application which is absolutely safe and never fails to remove every hair, so thoroughly that not a vestige of it remains. There is only one thing that will do this, and that is a safe solution. This can be obtained from a drug store for one dollar. The hair is merely moistened with it for a few moments, and then the hair is seen literally to wither and dissolve away and is wiped off, leaving a skin absolutely perfect, spotless, soft and smooth. This is the sensible method, and no matter how sensitive the skin, or how thick the hair growth, it never fails to remove the hairs completely and thoroughly.

MISS T. O. C.—You will be surprised at the results if you will use my formula for beautifying the skin. I can promise you really and surely an exquisite complexion in a mighty short time, with a tint like the rose, and spotless as a lily. If you will make this cream at home yourself and use it, you will positively never find anything else in the world to equal it. Now get from your druggist one ounce, 50 cents' worth, of salicylic acid, and two tablespoonfuls of glycerine in a pint of water. This makes a rich, satiny cream. Use it freely every day—and you will have your dream come true.

MISS ANXIOUS—A remarkable preparation to prevent excessive perspiration in the armpits is hydrolyzed talc. It is absolutely safe, keeps the armpits naturally fresh and dry, and you will have no more gowns ruined because of perspiration. Any drug store can supply you. 50 cents' worth will last many months. It also destroys the odor of perspiration and other objectionable body odors.

## WOODSON STOCK SALE IS WELL ATTENDED

The stock sale held at the home of J. L. Henry near Woodson

### The Best Cough Syrup is Home-made.

Here's an easy way to save \$2, and yet have the best cough remedy you ever tried.

You've probably heard of this well-known plan of making cough syrup at home. But have you ever used it? Thousands of families, the world over, feel that they could hardly keep home without it. It's simple and cheap, but the way it takes hold of a cough will soon earn it a permanent place in your home.

Into a pint bottle, pour 2 1/2 ounces of Pinex; then add plain granulated sugar syrup to fill up the pint. Or, if desired, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, it tastes good, never spoils, and gives you a full pint of better cough remedy than you could buy ready-made for three times its cost.

It is really wonderful how quickly this home-made remedy conquers a cough—usually in 24 hours or less. It seems to penetrate through every air passage, loosens a dry, hoarse or tight cough, hits the phlegm, heals the membranes, and gives almost immediate relief. Splendid for throat tickle, hoarseness, croup, bronchitis and bronchial asthma.

Pinex is a highly concentrated compound of genuine Norway pine extract, and has been used for generations for throat and chest ailments. To avoid disappointment ask your druggist for "2 1/2 ounces of Pinex" with directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded.

Pinex is made at Ft. Wayne, Ind.

Wednesday was well attended and the animals and articles offered for auction brought good prices. The sale totaled \$6,200. C. J. Wright of Murrayville and Charles Campbell of Petersburg were the auctioneers and Frank Flynn acted as clerk.

The following is a list of some of the buyers and prices paid: Ninety-nine ewes averaged \$19.25. J. Vedder, cow and calf \$125. William Arnold, cow and calf, \$150. Roy Culp, cow and calf, \$91. George McKean, cow and calf, \$127. Joseph Helliwell, cow and calf, \$120.

Frank Moxon, heifer \$76. Thomas Burns, cow, \$119. Frank Moxon, cow, \$80. J. Vedder, cow, \$105. Paul Loneragan, bull, \$70. Louis Wall, two calves at \$35 each.

Frank Moxon, cow and calf, \$79. Frank Moxon, cow and calf, \$78. William Arnold, calf, \$42. Amos McCurley, cow, \$66. Amos McCurley, heifer, \$46. William McCurley, two heifers at \$54.50 each.

William Rook, bull, \$55. Paul Loneragan, cow and calf, \$113. Harry Tarzwell, cow, \$92. William Young, span mare mules, \$600. William Arnold, span mare mules, three year olds, \$490. Roy Culp, span yearling mare mules, \$270. John Burns, span yearling horse mules, \$215.

## ASBURY

Asbury Aid Society held a business meeting at the home of Mr. and Mrs. Carl Hembrough Thursday afternoon, Dec. 4.

Mr. and Mrs. George Kellar and children, Zella, Edith and Wendell of Jacksonville, spent Thursday with Mr. and Mrs. Edward Craig. Mr. and Mrs. William Mortimer and son Earl and daughter Eva attended the Mortimer family reunion held at the home of Mr. and Mrs. Jutis Wright near Murrayville Thanksgiving Day. Every member of the family being present.

Mr. and Mrs. George McKean attended the football game at the Illinois College Thursday. Mr. and Mrs. Edgar Stout and Mr. and Mrs. Robert Reid were Thursday guests of Mr. and Mrs. Harry Trotter.

Mr. and Mrs. Carl Hembrough attended the family reunion held at the home of Mr. and Mrs. W. H. Hembrough in South Jacksonville Thanksgiving Day. Miss Rowena Megginson spent Saturday with her aunt, Mrs. George Megginson.

Mr. and Mrs. Earl Hembrough and daughter Pauline of Orleans and Mr. and Mrs. C. L. Hembrough were Sunday guests of Mr. and Mrs. George Hembrough. Howard Megginson spent Saturday with his cousin, Austin Megginson.

Misses Alice and Eva Leadill returned to their home in Franklin Sunday after a pleasant visit with Misses Anella and Grace Hembrough.

Mrs. Ralph Megginson and daughters Anella and Elizabeth were Friday guests of Mrs. Geo. Hembrough. Mr. and Mrs. Clifford Cox and Mr. and Mrs. E. R. Hembrough returned home Thursday from a visit with relatives in Adair.

Mrs. Joseph Megginson spent Saturday with her sister Mrs. George Barnhart in S. Jacksonville. Fred Hembrough and son Wallace of Jacksonville and Wilbur Hembrough of East St. Louis spent Friday with Carl Hembrough.

Miss Mildred Hembrough spent last week with her grandmother Mrs. Martha Taylor near Clements.

Girls wanted for pinning chickens, \$7 per week guaranteed while learning. Apply Swift & Co., superintendent.

MUSICAL ENTERTAINMENT There will be a musical entertainment by the Spillman Trio at Pisgah Presbyterian church, Friday evening, Dec. 5, 1919, 7:30 o'clock for the benefit of the Sunday School. Everybody please come and bring your friends with you.

Admission: Adults, 25 cents; Children, 10 cents.

## HOME MADE RECIPES CATARRH AND COLDS

Nonexpensive—Cut This Out.

Thousands are making this beneficial remedy at home and anyone who has catarrh or a cold can do the same.

Ask your druggist for three quarters of an ounce of Mentholized Arcline and pour it into a pint bottle, then fill the bottle with water that has been boiled. Gargle the throat as directed and snuff or spray the liquid into the nostrils twice daily. It's a simple way to get rid of cold and catarrh and keeps the nasal passage and throat so clean and healthy that germs of flu or any other germs will have a hard time gaining a foothold.

Senreco

is the dentrifice that contains the properties recommended as ideal by United States Army dental surgeons

## WAS NERVOUS AND RUN DOWN

RESTORED TO NORMAL HEALTH BY BIO-FEREN

"I feel I owe you people a world of gratitude for the benefit I have received in using your wonderful remedy—Bio-Feren Tablets, which have completely restored me to normal conditions," says Joseph E. Webb of Muncie, Indiana.

Bio-Feren is without doubt the grandest and quickest remedy for nervous, run down, weak, anemic men and women ever offered direct through the druggists and is not at all expensive.

Take two after each meal and one at bed time, and after seven days take one after each meal and one at bed time until the supply is exhausted.

Then if you feel that any claim made in this special notice is untrue—if you are not in better health—if you do not feel ambitious, more vigorous and keen minded, yes, twice as much as you did before, the druggist who sold you the tablets will gladly hand you back just what you paid for them.

All druggists in this city and vicinity have a supply on hand, or can easily get it for you. Seven a day for seven days—Wonderful results.

## BRIEF PARAGRAPHS FROM MURRAYVILLE

Third Attraction of Lecture Course to be Given—Other News Notes.

Murrayville, Dec. 3.—Mrs. C. R. Short and daughter Misses Florence and Lucile were guests Sunday of Miss Edna Sorrells in Jerseyville.

Roy Dilly of Roodhouse was a business visitor here Wednesday. Dean Lamb of Beardstown spent several days this week with relatives and friends here.

Mrs. Mary Gunn and son Claude are visiting J. W. Gunn and family in Lowder.

The Queen Esther Circle will meet Friday evening, December 5th with Miss Stella Cunningham.

The third number of the lecture course will be in Carlson's Hall Tuesday evening, December 9th at 8 o'clock. A lecture "The Fool Taxpayer" by Hon. Frank Stewart Regan. He is one of the few men who combine the skill of the artist with the power of the orator. Mr. Regan has been before the American people with this lecture for twenty years in universities, colleges and churches from New York City to San Francisco.

He comes highly recommended as an illustrated chalk talk lecturer. Dr. and Mrs. C. E. Waters and children returned home Monday from an extended visit with relatives in Kansas.

C. R. Short and son Floyd and daughter Margaret Isabel spent Sunday with the former's uncle in White Hall.

Harry Cade made a business trip to Roodhouse, Wednesday. The Domestic Science Club met Wednesday afternoon with Mrs. J. H. Fuller.

Mrs. Fanning who has been quite ill at the home of her daughter in Virginia has improved enough to be brought to the home of her daughter, Mrs. Geo. P. Jones, Tuesday.

Mrs. Anna McCarty of Manchester is spending this week with her daughter Mrs. Harry Cade and family.

Henry Osborne returned home last week from a business trip to Wichita, Kansas.

The Ladies Aid Society will have their annual Christmas bazaar and chicken pie supper Thursday evening, December 11th in the church basement. A program will follow the supper. Everybody invited.

Mr. and Mrs. Jepp Whitlock moved Tuesday to the house owned by Mrs. Josephine Spencer. Mrs. Spencer will live with them.

Miss Marjorie Bailon and Robert Wright are out of school with the chicken pox.

Salem Ladies Aid will have a donation social at the home of Thomas Boyd Wednesday evening, December 3rd. Everyone cordially invited to come and bring a donation for the society. Supper free.

MURRAYVILLE, R. R. 1

Mrs. Felix Gordon returned home Sunday after a week's visit with relatives in Danville.

Albert Weeder went to St. Louis Monday with a load of hogs. Misses Rena and Lena Sharkey are visiting their sister Mrs. Lottie Arnold.

Miss Mildred Mayberry was a Jacksonville visitor Saturday. T. E. Rea is busy delivering wood to Arthur Seymour. Coal being so hard to get several people are now burning wood.

Mrs. Timothy Murphy, Mrs. Charles Kayne and son were Jacksonville visitors Saturday.

The player-piano that is all but human. C. A. SHEPPARD sells them. Bell phone 798. 1201 S. East St.

SUFFERED TEN YEARS FROM INDIGESTION Trouble Gone, Appetite Strong, and Eats Anything Without Distress

"I had a case of catarrh and indigestion, of ten years standing. I had been treated by the best medical men in Michigan. When coming to take my Emulsion I was in bed. I improved so fast that I kept the neighbors wondering. I am now up and working every day. My cough is gone. My appetite is great, and I can eat anything without hurting me."—H. D. Lovele, Rockford, Mich.

## CHAPIN

Irvin Coulson and H. O. Smith went to St. Louis with a car load of hogs Sunday night.

Wm. Sampson went to Wichita, Kansas on Monday to visit his brother.

Roy Briggs of St. Louis is visiting his father, Oliver Briggs. T. U. Markham and C. T. Duckett were hunting at the river a few days the first of the week. John Nash is confined to his home with chicken pox.

Will Stout and wife spent Sunday with his father near Markham. The latter has been suffering with rheumatism the last few weeks.

Dr. Fred Eller went to Chicago Tuesday night to attend the Stock Show and Veterinary convention.

Werner Onken and Alden Allen returned to Quincy Sunday to their school after spending a week with home folks.

B. J. Taylor was in Havana Monday on business.

## Perfect Health is Yours If the Blood is Kept Pure

Almost Every Human Ailment is Directly Traceable to Impurities in the Blood

You can not overestimate the importance of keeping the blood free of impurities. When you realize that the heart is constantly pumping this vital fluid to all parts of the body, you can easily see that any impurity in the blood will cause serious complications.

Any slight disorder or impurity that creeps into the blood is a source of danger, for every vital organ of the body depends upon the blood supply to properly perform its functions.

Many painful and dangerous diseases are the direct result of a bad condition of the blood. Among

the most serious are rheumatism, with torturing pains; catarrh, often a forerunner of dread consumption; scrofula, eczema, tetter, erysipelas and other disfiguring skin diseases; malaria, which makes the strongest men helpless; and many other diseases are the direct result of impure blood.

You can easily avoid all of these diseases, and rid the system of them, by the use of S. S. S., the wonderful blood remedy that has been in constant use for more than fifty years. S. S. S. cleanses the blood thoroughly, and routes every vestige of impurity. It is sold by druggists everywhere.

For valuable literature and medical advice absolutely free, write today to the Medical Dept., Swift Specific Company, 424 Swift Laboratory, Atlanta, Ga.

100 acres east of Litterberry. New improvements. An extra combination farm. Possession. Good terms—\$150 per acre.

Possession of said lands in the City of Jacksonville shall be given to the purchaser with the delivery of the deed therefor.

HENRY W. ENGLISH, Master in Chancery. Wilson & Butler, Solicitors for Complainants.

## DEPRESSING EFFECT ON CORN MARKET

Chicago, Dec. 3.—Shutting down of industries and a severe new break in foreign exchange had a depressing effect today on the corn market. Prices closed nervous 1-1/8c to 3c net lower, with December \$1.39 1-2 to \$1.40 and May \$1.32 7-8 to \$1.33. Oats finished 1 to 1-3/8c down, in provisions the outcome ranged from 35c decline to 60c advance.

Although prices in the corn market had an upward slant at the opening, sellers were soon in a majority and during the remainder of the day the bulls were at an evident disadvantage. Continued scantiness of corn receipts together with initial higher quotations on hogs failed to exercise more than a temporary strengthening influence. Instead buyers were checked as a result of announcement that all the plants of a big cereal food manufacturing company had been closed indefinitely owing to coal shortage.

New low records for British exchange added another element of weakness and so too did a report that the United States Government would not finance export business. Under such circumstances the close was at virtually the lowest figures of the day.

Despite further sales to the seaboard, oats gave way with corn. Provisions averaged lower affected by grain weakness and by disappearance of strength from the hog market.

**ST. JOSEPH LIVESTOCK**  
St. Joseph, Mo., Dec. 3.—Hogs—Receipts 14,000; higher; top \$11.90; bulk \$14.00 @ \$14.75.

**CATTLE**—Receipts 4,000; steady. Steers \$7.50 @ \$17.50; cows and heifers \$5.50 @ \$15.00; calves \$6.00 @ \$14.50.

**SHEEP**—Receipts 5,000, higher. Lambs \$12.00 @ \$16.25; ewes \$8.00 @ \$9.25.

**EXECUTOR'S SALE OF VALUABLE FARM PROPERTY**

By virtue of the decree of the probate court of Morgan County and also by virtue of the authority vested in the undersigned, Executors of the Last Will and Testament of Henry Kitner, deceased, we will sell at public auction, on

**SATURDAY, DEC. 20th, 1919**  
at 2 o'clock P. M., at the front door of the Court House in Jacksonville, Illinois, the following described real estate, belonging to the Estate of Henry Kitner, deceased, which is situated in the County of Morgan and State of Illinois, and consists of 279 acres, to-wit:

The South West quarter of Section 34 in Township 15 North and Range 10 West of the Third Principal Meridian, except one (1) acre in the Northeast corner thereof, described as beginning at the Northeast corner of said half quarter section, being the center of said Section 34, running thence West 8 rods, thence South 20 rods, thence East 8 rods, and thence North 20 rods to the place of beginning; Also the East half of the North West Quarter and the West half of the North East quarter of Section 34 in Township 15 North and Range 10 West of the Third Principal Meridian, except therefrom the land conveyed by J. Frank Kitner and Edward N. Kitner, Executors, to J. W. Walton, Trustee for the City of Jacksonville, by deed, dated March 25, 1919 and recorded in the Recorder's Office of Morgan County, Illinois, in Book 93 of Deeds at page 388, and described as follows, to-wit: Beginning at the Northeast corner of the Northwest Quarter of the Northeast Quarter of Section Thirty-four (34) Township Fifteen (15) North and Range Ten (10) West of the Third Principal Meridian and running thence West along the North line of said Section Thirty-four (34), 2654 feet to the center of the Vandallia Road, thence South 76 degrees and 35 minutes, East 1623 feet along the said center of the Vandallia Road, thence South 87 degrees and 53 minutes East 472 feet along said road, thence North 85 degrees and 42 minutes, East 591 feet to the intersection of the Vandallia Road and the East line of the Northwest quarter of the Northeast quarter of said Section 34, thence North 618 feet to the place of beginning, containing 33.63 acres.

Also, beginning at a point 662.3 feet South and 589.3 feet West of the Northeast corner of the Northwest quarter of the Northeast quarter of said Section Thirty-four (34), thence South 292 feet to the center of the Vandallia Road, thence South 76 degrees and 35 minutes, East 1623 feet along the said center of the Vandallia Road, thence South 87 degrees and 53 minutes East 472 feet along said road, thence North 85 degrees and 42 minutes, East 591 feet to the intersection of the Vandallia Road and the East line of the Northwest quarter of the Northeast quarter of said Section 34, thence North 618 feet to the place of beginning, containing 33.63 acres.

#### The "Chandler Six" in all models

The Chandler Six of today is the result of the constant refinement of that first Chandler of six years ago—refinement and mechanical development.

With its several fine new body types, its marvelous motor and its splendid chassis, the Chandler is indeed a car you may well be proud to own.

Chandler popularity has rested in a large part, particularly among experienced motorists, not so much upon the beauty of its body designs perhaps, not even so much upon its economy of operation, as upon the remarkable performance of its motor.

Throughout, the Chandler motor is built of the finest materials it is possible to employ in motor construction.

And this marvelous motor is Chandler designed and Chandler built. It is exclusively the Chandler motor. You find it in no other car.

Features of this motor — include the solid one-piece aluminum motor base, extending solidly from frame to frame; the silent chain drive for the auxiliary motor shafts—three chains running in a constant spray of oil; and the Bosch high tension magneto for positive ignition.

These are the special features of the Chandler motor construction. There are many other features.

A new feature in the Chandler motor this year, is the specially designed combination intake and exhaust manifold.

The Chandler chassis combines, in an unusual degree, those four engineering essentials — simplicity, compactness, accessibility and strength.

And the Chandler is an economical car. Its economy is not merely a selling argument—Chandler own-

ers themselves, thousands of them everywhere, report average gasoline mileage of thirteen to sixteen miles to the gallon, and average tire mileage of from seven to ten thousand miles.

The Chandler Six is not a racing car. It is not a trick car. It is just a fine honestly built automobile. And yet Chandler offers a possible speed greater than nine hundred and ninety-nine out of any thousand men would ever want or dare to use.

The Chandler has not attempted to acquire popularity from stunt performances.

In the hill countries and the mountain districts, Chandler dealers — by demonstration alone—every day takes sales away from makers of other cars that talk of hill-climbing contests. But the Chandler, your Chandler and every man's Chandler climbs the hardest hills, on high gear.

#### WALLIS

America's Foremost Tractor

The mechanical perfection attained by the Wallis, America's Foremost Tractor, is recognized by farmers, dealers, engineers, and Agricultural experts. It is widely known, because it has delivered satisfactory performance on thousands of America's farms.

The Wallis has been growing since 1902. Thousands of costly tests and experiments have brought it to its present state. Now, as in the past few years, it is setting higher standards.

Superiority begins in design. You will find in the Wallis many ingenious inventions and improvements which can be found in no other tractor.

The Wallis is twelve years old and has stood the test of time. It has been tried and proven on thousands of farms all over the world. It is sold by a company established nearly half of a century; a company of integrity and reputation for square business dealings.

#### The "Cleveland Six" in all models

The Cleveland Six will be welcomed by thousands of automobile buyers. It fills a place in the automobile field that is peculiarly its own.

So marked is its individuality—so distinguished its character, so pronounced its ability, that it at once takes as an important factor in the motor car industry.

This is logical, for it is designed and built by engineers and producers of the highest rank. No car has ever been built under more favorable auspices. No car was ever more thoroughly tested.

For with a body that instantly attracts by its amazing charm and beauty, it has mechanical foundation and a motor that speak convincingly of dependability and a new interpretation of motor car service.

The deep frame, the strong axles, the resilient spring suspension, the high grade transmission, the Timken bearings throughout, tell a story of all-around fitness that men seek.

And the wonderful motor—the heart of any motor car—reveals qualities of flexibility, of power and of endurance that makes the first year program of forty thousand Cleveland Sixes seem all too meagre for the demand already so astonishingly evidenced.

The beauty of the Cleveland Six is plainly shown to casual observer. By adroit engineering more leg room than in cars of even longer wheelbase is provided. This applies to all models. The seats are upholstered in genuine long grain hand-buffed leather. There is extraordinary comfort for the passenger.

englers. Doors are wide and are all provided with flap pockets. The top is of exceptionally pleasing lines and is equipped with door opening curtains and bevel glass rear window.

Positive character is dominant in this car. Strong sturdiness and unusual comfort and roominess are united with marked economy of operation.

These are not mere statements or claims. They are facts which the car itself will verify. Back of them is a three-year period of exhaustive test and development, not of one but of many Cleveland Sixes. Back of them is the combined skill, experience and genius of a group of men who have made a distinguished success building fine cars. Back of them is an unchallenged reputation for giving the utmost for the money.

#### A Cordial Invitation is Extended to all

"Service" is to be made a strong feature with our firm.

An up-to-date repair shop, in charge of expert mechanics, will be maintained.

A full line of tires, accessories and supplies will be found.

We want you to call and inspect our new quarters anyway. We are proud of them and know they will please you.

Our entire stock may not be in place this week, but practically so.

When visiting town come in and see us, leave your parcels here until you are ready to depart. You will be welcome.

We are close to the square, just west of Frank Byrns' Hat Store and Hall's Restaurant.
